Planting Seeds of Opportunity

STAND OUT IN YOUR COMMUNITY

**GIVING BACK THROUGH
COMMUNITY ACTION PARTNERSHIP OF ORANGE COUNTY
IS YOUR CHANCE TO STAND OUT AND
HOLD A LEADERSHIP ROLE IN IMPROVING YOUR COMMUNITY.**

ABOUT US

With leadership and results dating back to 1965, Community Action Partnership of Orange County (CAPOC) has evolved into Orange County's most comprehensive anti-hunger and poverty relief organization. CAPOC's aim is to make a positive impact in people's lives by helping them meet basic needs and strengthen their support system. Our position within Orange County allows us to identify neighborhood concerns and find unique solutions. We have a stake in the health of our community and have the ability to create real change in the lives of low-income children, families, seniors, and veterans. By acting as a resource for ending hunger and poverty, our organization improves the health of our community. We mobilize and direct resources to programs that assist, educate, and promote self-sufficiency.

**Helping our community is helping ourselves.
We change people's lives, embody the spirit of hope, improve communities,
and make America a better place to live.**

WORKING TOGETHER FOR A BETTER ORANGE COUNTY

THIS IS NOT WORK THAT WE DO ALONE. TOGETHER, WE CREATE HEALTHY, EDUCATED, AND FINANCIALLY STABLE INDIVIDUALS AND FAMILIES. CAPOC STRIVES TO MAKE THE LOCAL COMMUNITY A BETTER PLACE BY HELPING ITS POOR THROUGH PROGRAMS AND SERVICES THAT FEED THE HUNGRY, PROMOTE GOOD HEALTH, AND IMPROVE LIVING CONDITIONS.

OUR IMPACT

HELPING PEOPLE. CHANGING LIVES.

We work with leaders in Orange County to help us identify problems and find solutions so that we can invest your money where people need it the most.

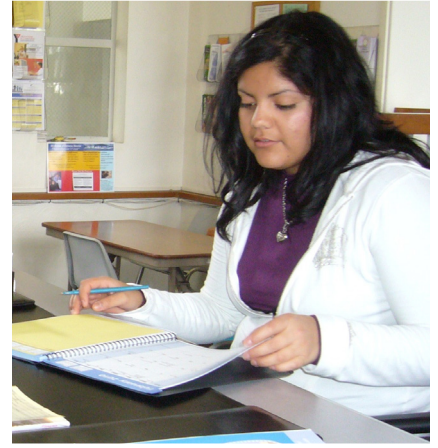

In our community, and for many, earnings from a full-time minimum wage job fail to provide a sufficient income to lift a family out of poverty. We provide workshops that help clients develop financial literacy skills to make better use of their limited resources.

CAPOC partners with organizations to create and save jobs so that struggling families can afford to pay their bills.

Our Family Resource Centers provide English as a Second Language and High School GED classes to decrease high school drop out rates.

Our OC Food Bank works to support the lives of the 1 in 5 Orange County children living in poverty by providing them with nutrition and supplemental food programs to ensure that they will not go hungry or become malnourished.

Orange County's low-income communities have concerns including high unemployment, failing schools, inadequate housing, poor health, and crime. We work to provide support and training to local residents so they can become the primary agents of change in their community and tackle our most complex issues.

LAST YEAR, CAPOC TOUCHED THE LIVES OF NEARLY 1 MILLION ORANGE COUNTY RESIDENTS

CREATING FUTURES

HELPING CHILDREN SUCCEED

Community Action Partnership of Orange County operates after school and teen programs to provide tutoring and socio-recreational activities for youth to make sure they have every chance to succeed.

EMPOWERING HEALTHY LIVES

Our agency promotes and supports nutrition education programs that increase healthy food choices and physical activity to low-income children and families.

STABILIZING FAMILIES

Our Family Resource Centers work with local residents, elected officials, community leaders, and local businesses to provide the tools and resources that help strengthen support systems to increase families stake in their community.

PROVIDING HOPE

We work with residents to improve the health of their community by identifying and addressing issues that impact neighborhood decline. We build stronger neighborhoods, empower residents, and assist local community members to become leaders of change.

MAKE A DIFFERENCE?**

OUR PROJECTS

We have a variety of strategies and approaches that get results. We can work with you and your budget to make your donation fit the program area or service you wish to support.

By donating to Community Action Partnership of Orange County, you can help us provide services that our contracts can't cover. Here are just a few examples of the services your donation can support:

A **\$500** donation can buy 50 food boxes and provide Orange County families with 1,400 meals.

A **\$1,000** donation can install energy and water conservation measures to help families save money that could be used to meet other basic needs.

A **\$1,500** donation can help offset the costs of building wheelchair ramps or widening the doors of neighbors with disabilities.

A **\$2,000** donation can provide one year of bus passes to one of our Family Resource Centers.

A **\$2,500** donation can provide 100 families support during a Case Management Project.

A **\$4,000** donation can sponsor two neighborhood clean-ups.

A **\$5,000** donation can pay for the start-up costs of a Community Garden.

A **\$12,500** donation can provide 5 families matching funds for Individual Development Accounts.

A **\$25,000** donation can provide the staff and supplies for our Summer Youth Program with an emphasis on science, math, technology, and the arts.

A **\$50,000** donation can provide fresh fruits and vegetables to 400 families every week for a year.

We are all about helping people to help themselves and the community.
